### **Linh Dinh Joins Owen Media as Account Coordinator**

SEATTLE, March 30, 2005 -- Owen Media, Inc, a Seattle-based high technology public relations agency, announced that Linh Dinh joined the team today as an account coordinator.

"Linh spent the last 10 months at the world's most strategic technology marketing company," said Paul Owen, Owen Media president. "Her knowledge of Intel, computer technologies and PR is a huge asset to our clients and our team."

Prior to joining Owen Media, Dinh was an intern for Intel Corporation and graduated from the University of Oregon, School of Journalism and Communication.

Owen Media provides public relations consulting to high-tech companies. Owen Media's clients include Cray, HyBlue, AccessVia, Tideworks and the InfiniBand Trade Association.
